Declarations of Interest None

Min 17/ Apr /19 To consider the Options presented at the Public Consultation regarding a Llandeilo Bypass.

The Mayor introduced the discussion by stating that the Council's aim in deciding which option to support should be made by choosing the route which would

- i) reduce traffic congestion in Rhosmaen Street.
- ii) improving the air quality.
- iii) making the Town Centre roads safer for pedestrians and cyclists.

It was proposed by Cllr Christoph Fischer, seconded by Cllr Christopher Parish that the following should not be considered :-
NB1, NB2, NB5, NB7, TC1A as they all would not satisfy all of the above aims.
All were in favour.

It was proposed by Cllr Robert Jones, seconded by Cllr Christoph Fischer that the Town Council support option BE1C. All were in favour.
Besides meeting the three aims above, the Council felt that the scheme would also reduce traffic going past Bro Dinefwr School as well as the mini roundabout in Ffairfach
